OR
\$199.95 - 3VVX
for the entire 8 volume set (3VV1 thru 3VV8)

Originally produced for Kodak, these "Professional Techniques" seminar style videos document new and innovative photographers at work in their studios and on-location. The photographers featured are at the top in their respective fields. They reveal professional secrets that you can use in ways you have not seen before. They share their striking images and the step by step "magic" they use to produce them. You will be amazed at the insights, trade secrets, techniques, insider tips and working habits waiting for you in abundance on these tapes. These are the secrets that can transform your photos several jumps up the development ladder no matter whether your interest is as a hobbyist or professional.
